

# Equine Clinic at OakenCroft Castration Clinic

## Application

The goal of this clinic is to assist the community in castrating stallions with no breeding future. We hope to help financially challenged owners in getting their colts and stallions castrated. Our charge of \$35/ horse is to cover only part of our cost for medications and materials needed for each castrate.

We ask that all horses be vaccinated for rabies within the last 12 months, have a Coggins within the last calendar year, be easily haltered and led, and have their own transport to and from the clinic on **October 6, 2017**. Horses will be dropped off the day of the clinic in shifts and picked up the same day. If this is not convenient, other arrangements can be made in advance.

If you are interested, please fill out the application below. Applications may be mailed to 880 Bridge St, Ravena, NY 12143 (must be postmarked no later than September 22, 2017) or emailed to [sm@oakencroft.org](mailto:sm@oakencroft.org) and received by close of business on September 22, 2017. A copy of the Coggins and proof of rabies must accompany the application.
